________________________________________________________________________

________________________________________________________________________

Study plans on new subject:

________________________________________________________________________

________________________________________________________________________

I promise that I will try my best to prepare myself for the HKAL Examinations in 2008.

(For subject adding) If I fail to perform up to the standards of the school, I may have to drop the
subject concerned and cannot sit for the public examination of the subjects concerned.

I know my application is subject to the approval of the school.
